Subject: Audit Response Items

Hi Al,

I may have sent this already, having some email issues, I am re-sending the pictures to insure you received them. The copies do not show very well, and with these you can zoom in on the paperwork.

It will take 5 or more emails for all the pictures, sorry system problems.

The [randy\\_conner@rswy.net](mailto:randy_conner@rswy.net) email site is have some issues again. I will be sending these again from this email site to insure you get them, sorry for the mess, hope your email box is not being slammed with the stuff, I can not tell if it is going through or not

If you have any questions, please let me know.
